

**Introduction to Social Work:  
The People's Profession SECOND EDITION**

**Ira Colby**, *University of Houston and*  
**Sophia F. Dziegielewski**, *Univ. of Central Florida*

In this stimulating introductory text the authors present a broad, realistic, and accurate portrayal of the field of social work. The book is organized around questions often asked by students when first considering the profession. The second edition is updated with the latest research and references. Statistics, salary, and relevant numbers have all been updated to reflect current trends in social work. Diversity and social justice are highlighted and enhanced throughout the text as well as having additional information on working with the mentally ill in the criminal justice system. Written in the same conversational and informal style as the first edition, the second edition concisely covers virtually all the essential aspects of modern social work.

**FEATURES** Activity boxes that bring to life specific concepts.

- Diversity content included throughout the text.
- Chapter devoted to international social work.
- Glossary entries italicized when first used in text.
- Extensive test bank available.
- "Did you know" features that provide factual and interesting details of the profession.
- Technology focus that also explains and identifies Internet web sites useful to social work.
- Profiles and photos of over twenty contemporary social workers to provide insight into the lives of modern-day professionals.
